SOS in computer science & IT
Pt. Ravishankar Shukla University Raipur (CG)

Subject :- Regarding Six Month System Development Project (System Design & Implementation) of our MCA – IV Semester Student Kamlesh Kumar.

Dear Sir,

The S.o.S. in Computer Science & IT is one of the pioneering Institution imparting Computer education in the newly formed state of Chhattisgarh. This Institution is conducting two years full time M.C.A. course since 1998 and our distinguished alumni are successfully performing in leading national and International software companies.

Our students are well versed in DOS/Unix/Windows environment and latest subjects like Networking, Cyber Security, Big Data Analytics, Computer System Architecture, Operating System, Soft Computing, Satellite & Mobile Communication, Software Engineering, Artificial Intelligence & Expert System, Data Structure, RDBMS, .NET Framework, Programming Languages C, C++, Python, Java, J2EE, VB .NET and Oracle 8.0/8i/9i. They are also having practical knowledge of these subjects through short term projects in the Industry.

In fourth Semester of MCA Course Curriculum, the students have to undergo **Six Month System Development Project (System Design & Implementation)** for the partial fulfillment of the course.

I therefore request you to provide **Kamlesh Kumar**, bearer of this letter, an opportunity to do a Six Month System Development Project in your esteemed organization. This will initiate a process of information exchange and knowledge sharing between the University and your distinguished organization. He is the one of the best students of our department and I am confident that he will definitely match the high standards of excellence as desired and expected by you.

With thanks & regards,

[Dr. Sanjay Kumar]
